“ *My sympathy and prayers are with the family during this time of loss. I've enjoyed having Grandma as part of my life for the past 14 years, she was my surrogate grand parent since all of mine had previously passed.*

*Even though she's only 2.5, Keira knew who her GG was. When I was getting her ready to go out the other day, she said, "Go see GG", and it broke my heart. All I could say was, "Sorry honey, GG's with the angels now". It is my promise that Keira will never forget her GG.*
