“ I remember the one time I met Doris, my maternal grandmother. My mother searched for years for her birth mother. Her and Uncle Marco came to our house. I wish I knew that would be the last time I seen her. No, she didn't want a relationship with her only daughter and that is fine but I would have love to have herd the story on how she choose the people she adopted her daughter to.

“ Our condolences to the family. Gram Shelton holds a special place in my heart for the love and support she gave my sister and to our family in our time of need. She opened her heart and her home to us, always with an open door. Her love over the years knew no bounds. From all of us in the Groover family, may you rest in peace and dance with the stars 🥰🥰
