“ My Sincere Condolences go out to Tommy and family. I have known Doris since I was in 4th grade, which was way back in the day. We rode the same bus together, good ole #52 with Mrs Bean as our driver. She was a dear and fun loving person. I hadn't seen her in 45 years and answered an ad she had in the paper, went to her house not knowing it would be her, she looked out and said OMG, Lois Cornwell. We talked just like we did back in the day. She had a smile that I will never forget. She touched so many hearts. I know she is an Angel looking down on everyone now, as she was every one's Angel here on earth. R.I.P. Dear Friend, Lois Cornwell Shafer

“ Tom and family.....Wayne and I were shocked and saddened by Doris' sudden passing...I know this has and will be difficult for you and your family for a long time. It was good to see you looking so healthy, and we send our love to you as you face your life without Doris, but with wonderful memories of her upbeat attitude and smiling face.

“ I am saddened to hear about Doris. She was truly the Rock of the family. I am so glad that I was able to visit her a few summers ago and to meet with so many of my cousins at a restaurant in Manassas. I have many pictures and many memories of those times. To Tommy...I am sorry for your loss. You had a wonderful life and time together. My prayers are for you and your entire family.
