“ In trying to find out the whereabouts of my old friend, I just found out through google about Jean's passing. Jean and I were good friends in high school, sharing a lot of commercial classes together and both of us working in the attendance office during 9th period. Jean and her then boyfriend, Gary double dated with me and my (at the time) future husband, Tom for our Senior Prom. I am very sad to see that Jean has passed, rest in peace my friend!

“ I had the pleasure of working with Jean at OMB for many years. After retirement we kept in touch...visiting and brunching with her and Al on many occasions...including mini OMB reunions. She endured with dignity and class! Mary Chuckerel

“ I worked with Jean for many years here at the Office of Management and Budget, Office of Federal Procurement Policy. She was a soft-spoken, well dressed, very kind and dignified lady. Jean was quiet, but she did not allow anyone to take advantage of her; she spoke up for herself. I was saddened to hear about Jean's passing, and though I have not seen her since she retired, I will miss her. I will keep the family in my thoughts.
