“ Peggy, Sharon, Paul, and families-
I was so saddened to hear of your mom's passing. I have so many fond memories of her. Your home was my favorite place to go after school, where your mom would greet us with cheese and crackers or if we were really lucky, her wonderful spritz cookies. She was always so kind to me and remembered me every year with a birthday card. She will be missed. My thoughts and prayers are with you.

“ My Love and Prayers are with you all at this time, but our Mommy is with our wonderful Pop and they are rejoicing.
Mommie was my friend, my boys and grandsons adopted Grandma, and the love of my life. She will be truly missed.
God Bless and Love you all.

“ My Mom, Gladys Pacosa, was a neighbor of Paul and Dorothea for several years on Bayside Circle, and we got to know them as well. We had enjoyed exchanging Christmas cards since she had moved away. She was a wonderful person, and Anne and I were very sorry to learn that she had passed away.

Our sympathy to the family.

“ Peggy, I read your mother's obituary in the Macon Telegraph. Though it has been a long time, I recognized the name; it isn't one of the most common names. Somewhere in my memory, it came to me. Of course, I read through and realized that it was your mother. I am so sorry for your loss. I remember that your parents lived in Warner Robins, which is where my husband is from. My thoughts and prayers are with you and your family.
