“ Dear Cyndi, I would like to express my condolences to you and your family. A person so special will never be forgotten. The loss of a dear loved one is hard, but you take one day at a time. My father passed away in January, but he is always in heart and I visit him regularly, which gives me some comfort. You are in my thoughts and prayers and if there is anything I could do, please let me know. Love,
Diane Cortez

“ *Your mother has left behind a thousand moments that will live in your heart forever...Please now, at this difficult time, that you are in so many thoughts and prayers. Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of God's world, and may His peace surround you at this difficult time. He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith. -2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
