For many years Dottie was the BEST Neighbor that anyone could hope to have - always that sweet smile and loving comment. We sure knew when she was driving into her driveway, as she never let that little scoop under the car slow her down as she drove up! Ha Ha! We'd just say "Dottie's Home!" The first to offer assistance if we needed anything and always so appreciative of even the smallest things that anyone did for her. She LOVED her family. Her's was a life well-lived. We are happy to have had her in our lives. See you on the other side Ms. Dottie! Hugs to all of her family.
