“ *She was a wonderful, supportive grandma to Lindsey! I could tell they had a real connection. I loved the way she supported Lindsey at her dance recital, chatted with her lovely granddaughter at her apartment complex pool, and took care of Lindsey in her own home. What an attentive grandparent and beautiful spirit! I know she's in a restful, special place right now--a place for the best of us.*

Rest peacefully in your newly pain-free existence. Ms. Dorothy!
