“ *Dorothy was my Mother's niece (Nora Spencer Cockrill). They talked all the time on the phone. When I called Dorothy to let her know my mother was in a nursing home and didn't have long to live , she came and visited her right away and I know my Mother was so glad to see her. Although I didn't know her very well I will remember how kind and sweet she was and how my Mother always spoke of her as a very special person. Rest In Peace . Patricia Porter*

“ *Dear Kim and Family,*

*I am so sorry to hear of the passing of your Mom. She was a long time friend of my Mother and a very kind, thoughtful caring person. I will always remember her kindness whenever we would visit and she always made me and my family feel as if we were part of her family. May God Bless you and your family during this most difficult time and may the memories you have fill your heart with knowing what a kind, beautiful, caring person that she was and never had anything bad to say about anyone.*

“ *There's not a day that went by that I didn't think about you ol' friend. I am truly blessed to have such a dear sweet friend like you. I will miss you terribly and the talks we had every day. I will cherish all the memories we had together the good and bad, for they were all worth cherishing because at the end of it all we still remand good friends.*

*I know heaven has a special place for you because you're a special woman.*

*You have wings now babe, you have earned them. You are no longer in pain and for that I am thankful. I not going to lie I am going to miss you, but I know we will see each other again. You & Robert are together once again.*

*Dorothy, this is not good-bye but see you later girl friend.*

*I will always carry you in my heart.*

*Your friend,  
Loretta*

“ My condolences to Dorothy's family. She and I worked on the same manufacturing team for many years. She was one of the nicest persons you would ever want to meet. Every morning you were greeted with a smile and a "Hello how are you this morning". Something that always made my day, at least got me started. She left the company some time in the mid 90's. She maintained contact with my wife and I for years. After my wife passed I would still get a Christmas card every year. Through a mutual friend we exchanged phone numbers a few years ago and renewed our contact over the phone. That has lasted right up til now. I am heart broken and more then sad. She was a lovely person with a heart bigger then life itself. I will miss her.

Dorothy Jane was my beautiful cousin. We stayed in touch over the years. Used to talk to my dad on the phone all the time and they would make jokes and have a big time he would talk her ear off. Then when he passed we would talk occasionally then when I moved to Haymarket and 1985 we lived closer so we may play dates for Kim and Becca. We continue to call each other. Whenever I saw her she had a big smile when was the sweetest smartest lady I've ever met she and Robert gave me a lot of support when my husband passed 4 years ago and we talked often she always had the time to talk and to listen I will miss her yearly Christmas cards and hearing her voice when I needed someone to talk to. Even though our family did not stay in touch much we all love Dorothy Jean she was just Unforgettable you will be deeply missed beautiful

“ To Kim and all the loving family and friends of Dorothy. We have all lost a dear, cherished, Mother, Sister, Friend and very special lady. I met Robert in 1965, while working at Communications Electronics, which later was aquired by Watkins - Johnson Company, and through him, met Dorothy about 5 years later. We have remained close friends for nearly 50 years. Dorothy was always so upbeat and uplifting to many of us. She had a strong faith and believed steadfastly in Our Heavenly Father. She lived her life devoted to those principles of God's teachings. I will miss my friend, terribly, will miss those phone calls for sure. I know Dorothy is in the arms of Our Heavenly Father, and free from pain and suffering, and re-united with her Husband, Robert, her Mother, Father, Sisters and Brothers that she so dearly loved. God Bless you Kim, Bob Lee and all of Dorothy's family during this difficult time.
