My sweet little angel Mommy, Tomorrow is the five year anniversary of you passing seems like it's been much longer. This was the first time I read the lovely heartfelt comments from our friends and family. They met so much!

Mommy it's not been easy without you but you left me with a wealth of knowledge. I often remember things you shared and taught me. You were a great Mom, awesome lady and a blessing to all the lives you touched. I love you Mommy. You're the very best of everything!! Pray you're waiting for us on the other side. Until then please watch over us.

“ *Herbert, Patty, Jenny and Family,*
Our prays and thoughts are with you and your family during this difficult time for the loss of your beloved wife, Mother, Grandmother and my Aunt Dorothy. I know firsthand how badly you will miss her; but remember that she is no longer in pain and is walking on that golden shore with all of her family that has gone on before her. I am sure her and Mom along with the rest of the family are having their reunion now. I am not sure at this time if we (Dad & myself) will be able to attend the services; but know that our prays are with you and your family. Please take care of yourself the best you can during this difficult period.

“ Dorothy loved and was loved by many. She was beautiful inside and out. Dorothy was kind and caring in so many ways without expecting anything in return. I will never forget the times when my son Michael was in middle school and Dorothy would watch over him to make sure he got on and off the school bus safely. This gave me so much piece of mind knowing that Dorothy was looking out for him. Michael always enjoyed spending time with Dorothy.

Dorothy often mentioned what a great and loving husband Herb was. She also spoke of how proud she was of her beautiful daughters Patricia and Jennifer and of her wonderful grandchildren Matthew, Alexi, Jenni, Juliet and Julian. She deeply loved all of them.

I will always remember Dorothy's beautiful smile and cheerful nature. Dorothy was a remarkable woman and a wonderful neighbor who will be greatly missed.
