“ Dorothy was a wonderful mother, grandmother, and mother-in-law. Her love and care for all of us was honorable. She was always there for everyone, and willing to help. I cherish the time I had with her while helping with her care. It was a privilege, and was grateful to be able to serve her and also spend precious time with her. I know God gave me that opportunity and it was our time together that was so valuable. Her love and witness for God will live on as an example for everyone to follow. I encourage all to accept Jesus into their hearts and accept Him as the Lord and Saviour. Making Heaven your home, and knowing you will be reunited with Dorothy one day. Death is only a temporary separation. God will give us strength during our loss, until we see them again.

“ Our prayers are with you during this time. I know her faith in the lord kept her strong and I hope that same faith will be with everyone at this point in time. I was always amazed at her strength in raising her family. I want to send my love to all. Even though we have not seen each other in along time,I have thought about you often. Always remember God is good and will be with you during these tough times. We give our love to all.

“ *Dorothy was always a sweet and kind person and would do anything for anyone. I lived with them in Arlington for a short time until I finished high school, then they moved to Manassas Park and were neighbors again a few streets away. She was a dear friend to Mom and our family. I know that she will be missed but she is shouting on those golden streets and is with Jesus. She has finally made it home.*

I remember Christmas at your house your family of 16 and ours of 8 and you always made sure you had a gift for everyone even if we all just got a pair of socks we loved itI know my mom and dad was there waiting for you and along with Michael tell him we are ok and missing you all...

I am sorry I hadn't made it up to see you life gets busy things get turned upside down and we all get side track ..but aunt dot I love you you were a great lady and I know you were a wonderful sister in law to mom and a great sister to dad.

“ Grandma,
I will miss you so much. I will really miss the wisdom you shared with me. All the life lessons you gave me, all the support, and most of all the love you have given through out all the years. We watched all the game shows, bonanza, Shirley temple movies. I will defiantly miss hearing you sing, how you would always curl your hair then ask if it was ok to go anywhere. I love you Grandma always and forever. Give everyone lots of love from us here. Keep watch over us. Love you forever Nikki

“ Mom,
You were everything to me. I never thought this day would come, but the Lord knows when it's your turn to go. And I accepted because you were always so faithful. You always wore a dress and would even wear them in the winter. Didn't like to wear hats and gloves. Color that you loved was green , but you told me wouldn't wear a green dress. I am glad you went in your sleep, so you didn't suffer. I will always love you so very much.

“ Mom I will always how you made me mashed potatoes following having my tonsils out. The lesson we learned those potatoes were to hot to eat felt like burning your lungs. You always showed me God’s unconditional love. You helped me with my children by babysitting them when I needed. Your wisdom faith and love will continue with me. We shared many late nights and long nights. I am so thankful God allowed you to be able to recognize us all. You were never allow. God was always be your side and you are now with him. My heart breaks and tears flow cause I miss you mom. I did keep video of your voice is learning to pronounce the name of a dinosaur.

You prayed with me any times and for all of us children grandchildren and great grandchildren.

Our family gatherings was your favorite joy. I always remember we received new outfit on Easter and Christmas. Always putting God first as we read the birth of Christ on Christmas the greatest gift before opening gifts we shared with each other. You always took a little if it was food clothing and time and made a lot to be thankful.

You would play baseball with us. You and dad treasure all the time you had with us. Even though I was born into a family with 13 siblings I always felt like mom and dad spoiled me.

The learns my parents taught be about God will go with me for ever.

“ Mom - singing with you was the best - Your love for the Lord made a huge impact in my life - I will never forget the nights kneeling in the living room for prayer - every night - and the fun we kids did have picking on each other - sorry for pulling your curlers. You will be missed so much, but happy you are in Heaven with dad. Tell him we said hello - Love you
