“ *My memory of Joey was how blessed she was with good looks and a bright beautiful wide smile. I remember hanging out with her, Earl, Jonathan and Conrad when we were kids. My folks would go to Durban for our annual holiday and we would always look up the Stevensons. One of my last fond memories was watching the movie "Jaws" with Joey, which was in 1975!!  
Joey, rest in peace and God bless.
