“ i hope you are at peace David. even our marriage didn't last long I have 2 wonderful sons by you. You would be proud of them, for they have grown into fine young men. Shane has given us 4 grandchildren there's the twins Dakota Marie & Skyler Elisabeth (by Sammie) then there's Sofia Maria Lynn & James Patrick (by Aylisa) whom Shane is still with. And Brandon (BB) he's doing good too, he likes his freedom to much. To bad you miss a lot of their lives as will as you did with your 2 older sons David Wayne & Josh. They needed you too. Your 4 sons loved you but you just couldn't be a father to them. I just can't understand why you couldn't love anyone. But, I do understand you been with someone for 20 plus years I hope you have treated her well. I did wish you well in life. Sleep with the Angels, Sharon Bryant (2nd ex-wife)

“*Dave, you came into the Cobb family when you were just a young man. You married our oldest sister Wanda in 1975—and became our crazy fun brother in law with cool vehicles and that crazy fast runner in short distance with those short legs. You could outrun anyone in short distance.*

*You & Wanda had 2 children. You gave us 2 nephews : David Wayne Bryant in 1976 & Joshua Lee Bryant in 1982—. Your son-David Wayne has many of your crazy characteristics & humor.*

*Memories:*

*You would start stuff than not finish it as fast as you like & tell us kids if we helped you give us a few dollars to do it. Later when you and Wanda got your first apartment, your car cleaning obsession carried onto your home.*

*In the Early days -- You provided not only the in-law kids fun memories but a lot of the neighborhood kids fun too. You kept us & adults laughing at “Dave stories “ of things you would do within our family - from hunting to fishing with my dad and uncles & brothers - there would be a story someone had on you. Always in fun and everyone enjoyed hearing them. Your mom & dad were welcoming & we considered them as family within my mom & dad’s home. Your mom continued to come to our family gatherings even through your separations- and the divorce from my sister. Your mom Wilma we all loved her caring & fun ways. We as a family still put flowers upon her grave to this day.*

*As we grew & us kids got married & had our own kids - Many times I come home - Wilma would be helping my mom with your kids & our family kids within our home. I believe Wanda even transported Wilma to her medical treatments when she could.*

*Dave, You became a close friend to our beloved Uncle Shorty throughout the years & even lived with him later after the divorce and it was comforting to know he had someone living with him. You two together or separate brought many happy memories in those early years. And they will be cherished.*

*Like most people, There are many things in life that are lessons*

*both good and bad, fun and not so much fun we will remember. But you will be remembered by all the “ Dave stories” created during the fun times.*

*You were The food lover - we will remember trips to all you can eat seafood (you were first to show up & last to leave - you and my brother in law Marty could eat) to taking us bowling. And all those bargain deals you haul into the house. 10 burgers for a dollar deals was our favorite. If it was a bargain - you got it. The excitement you brought to our younger years will not be forgotten.*

*I understand you had 2 more boys ( Shane & Brandon) within your second marriage. I hear they too have similar characteristics to you.*

*I pray that You had found faith in the goodness of Christ & leaned on him. I will pray for all 4 of your boys & your significant other Connie as well all remaining family members for their loss and pray they may find comfort. I pray especially for your boys as well all our children - I pray they turn to Jesus to help give them strength to do hard things in this life here on earth to receive the Lord’s promise after. I pray all children & adults Realize God never promised to insulate us from pain, but He did promise to enter the pain with us. May they lean on faith throughout their lives to always find comfort & the right path to follow.*

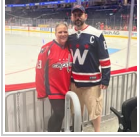

*Proverbs 3:5–6*

*“Trust in the Lord with all your heart, and lean not on your own understanding; In all your ways acknowledge Him, and He shall direct your paths.”*

*May you Rest In Peace  
Dede & Jean (cobb) Warner*
