I loved my Uncle Doug! He opened his home to me in the 70's so I could go to college . He intrusted me with his children. He was a wonderful Brother to my [Pop] Ray Carlysle. His family was always first in his life . He was soft spoken with a kind heart. God saw him suffering and took his hand. He is with Jesus now at peace. I would not doubt if he blessed with the job of guardian angle looking out for his flock. I will never forget how many times you and Uncle Ronnie played jokes on me. Snipe hunting REALLY? lol He will be in my heart and thoughts forever. May GOD bless you uncle Dougie I love you!

“ Uncle Doug !! so many fond memories we shared throughout the years.... We had some great times from hunting at Tony's and the countless beach trips to all the pig roasts at Earl and Sue's.. You will be missed buddy, but I know in my heart we shall meet again. I know your at peace now and no longer suffering and that helps to ease the pain we all feel for your loss. Love you uncle Doug.... until we meet again !
