“ Douglas I will miss you so much buddy. 37 years is a long time. I remember when we first met at your friends salon. My heart weighs heavy and will for so long; But I know now that you are safe and happy - you and I discussed this many times. I shall always love you as a very dear and close friend and brother in God.
Dear Family, I know how great your sorrow is and I extend my love to you; but what a great guy you had as a member of your life!
Sorry, I cannot be there due to my inability to travel. Call me anytime!

“ I've only known Doug for a couple of years as a friend of Scott Carr (Charn Parker), but in that time I've grown fond of him. His determination and optimism were inspiring. He will be missed by us all.

“*Doug was my angel on earth. He was the manager at my first apt. that I had by myself. I always knew he kept an eye out on me, making sure I was ok. I knew if I needed anything, I could count on him, from getting my mail, to watching my apt while I was gone, watering my plants, helping me get the snow off my car, or just listen to my stories. I got married and had my first child while living in the same apt. complex as Doug. He watched me grow from a young lady to becoming a wife, and mother. He loved my son and would even slip him a \$20 to buy a toy! When we would go back to Arlington to visit, Doug would get a big smile on his face when he saw us. I will miss him deeply. He was a great man.*

“*Sure going to miss my old postal buddy. Doug was one of the nicest fellows I ever met. Rarely did I see him without a smile. Even when he lost his voice it was still good to hear him say, hey gal, how ya doing? Doug Hall will stay in my heart forever. Our loss...Heaven's gain.*
