Jaynes Jr. Doug grew up in North Springfield Va. and graduated from Annandale High School in 1970. After school he enlisted in the U.S. Air Force and was also a member of the National Guard. On May 22, 1982, he married Susan L. Chandler, with whom he had three children. He retired from a lengthy career with Raytheon in 2010.

Doug was a walking encyclopedia and had a remarkable sense of humor. His passions included relic hunting, history, grilling, fishing, and playing music with his brother-in-law Horn in The Stone River Band. Like his father before him, he became a master woodworker specializing in handcrafted replica antique furniture. Through his career with Raytheon, he discovered a fondness for the UK and continued to visit after his retirement. He enjoyed traveling with his cousin Tim Hatfield to Pamplona, Spain and their yearly "Goat" hunt to Wheatland, Wyoming. While at home he loved spending time with family and hanging out at Fred and Son's with Fred Chandler Sr., Fred Jr., and many close friends. Doug was an avid fan of the Washington Nationals and enjoyed watching games with his sons and grandson.

Doug is preceded in death by his parents, father-in-law Melvin Wayne Chandler, brother-in-law Steve (Horn) Langhorne, and close cousin Ted

He also leaves behind his loyal four-legged friends, Sadie aka Cow-Dog, fishing dog Buddy, Rosey, and Zeke.

Doug was a devoted brother, husband, father, grandfather, and friend. He will be dearly missed by all who knew him. A celebration of his life will be held at a later date.

“*Doug was a great friend and a wonderful brother in law. He had an incredible sense of humor that he used often! I will always remember when he, Susan, Matthew, Kevin, and Sam would join Steve and I at the Outer Banks. What fun times! We also enjoyed antique and Civil War shows together. Doug knew anything we needed to know and then some, had a tremendous talent for making furniture. Susan and their sons cherish everything he made. For many years we would draw names at Christmastime, yet he and Steve still bought each other gifts! We finally decided they just had each others name permanently. I can still remember the "thrill of the hunt" they each experienced finding the perfect gifts. I still see them laughing and enjoying unwrapping their precious finds! Doug was always helpful to our mom and dad, and has been a son to mom after dad passed, helping her in with anything. I will always be grateful to Doug for being beside Steve (and me) during his illness. Doug was always to go to appointments, sit with Steve, and just be his (our) friend. The thing is Doug was suffering and never said a word because he was thinking of someone else who needed help! No one can ask for a better friend. It breaks me heart that he had to go through so much and he just wanted a chance to get treatment in order to stay here for his family. He was a good person who loved his wife, his sons, and grandson, his whole family. I miss him! And I pray for my sister and nephews that their grief is overshadowed by all the great memories! Love, Terry*

“ We will always think of Doug as a kind person. Always fun to be around. We had a lot of good times playing cards and fishing in our younger days. He had a lot of family and friends that will miss him dearly. Gone too soon.
