Please know that Doug will always be in my thoughts and heart. I am going to miss him so much. I am so thankful that Kim got to go down and visit last year. My heart is breaking because I won't be able to be with all of you. I will cherish the many great memories that I have. Good bye big guy until we meet again. Love to all.

“ *Dad, I can't believe you are gone. It still hasn't sunk in yet. Its hard to put my feelings into words quite yet as I am still in shock. I know you weren't feeling well, but damn, I thought you'd get better. I have to say thank you for being very giving, generous, and loving of your family. Your guidance was invaluable. I hope to have some of these traits myself and pass them on to my daughter.*
I love you ~ Dawn
