“ *Kim, I am so sorry for your loss. We have a lot of good memories of DuWayne. I remember him as being a man with a purpose, and making the best of what he had. He was the Rock of his family. He definitely loved you and his children and grandchildren. Yes, he was taken from us early, but he's with our Lord in Heaven. He's now looking down on us without any worries and pain. He's watching us and saying I can't wait to see you again.*

Our memories to Washington, Oregon, South Dakota and Wyoming were just amazing. I was lucky and grateful to make those memories with you and DuWayne. Oh what fun we had in Washing and Oregon, going to all those wineries and the views. Then to South Dakota and Wyoming, more fun and unforgettable memories. As you know he was like a brother to me and you a sister. A life that will never be forgotten.

“ I remember your wedding day to Kim, as you were preparing to go in I told you it was not too late for you to change your mind (only kidding). Even though changing your mind was not one of your options. Through the years there were good times, bad times, maybe a few strange times but I am glad you did not change your mind. No doubt Kim will honor you and the love you shared by doing those things that were so important to you. Rest in peace, watch over Kim, when times get hard for her she will remember all the good times and smile and keep your memory alive.

“ My love, oh how I miss you so much already. I will continue to have all the lifetime memories we made over 33 years. It's going to be so hard living life without you. You have made me to be a strong person. We were just kids when we met. I have thanked God for the wonderful life he gave us some bad but mostly all good. I will cherish them forever. Please watch over me until we meet again. You are now pain and cancer free. Love you forever. Your wife, Kimberly ❤️❤️❤️
