“ Earl. I will treasure your memory. I think back to when I got snowed in at your house & Regina & I decided to sleep in the floor in front of the fire place, the next morning you picked us up & threw us out in the snow (playing around) we laughed then & I still laugh now when I think of this. Thank you for all the great memories of camping, skiing, I have many memories of you. Fly high my dad in law, you are now free. I will miss you & love you until we meet again.
