

Earleen Johnson

January 11, 1949 - July 27, 2023

Earleen Johnson, of Centreville, Virginia has returned to our Heavenly Father, surrounded by her husband and children, on July 27th, 2023.

Earleen was born January 11th, 1949 to Russell and Margaret Williams in the small farming community of Petaluma, California. The middle of three sisters, she intensely enjoyed nature and life on the farm.

While attending university she met and married a young Navy Sailor, Valdemar Johnson, with whom she had five children; Elizabeth, Sarah, Michael, Emily, and Joseph. The seven of them experienced living and traveling to many locations throughout the United States before settling in Virginia. Earleen, along with her family, was a member of unshakeable faith in The Church of Jesus Christ of Latter-Day Saints and actively participated in regular church and temple functions. She loved to road trip, camp and explore. She greatly enjoyed our national parks and sites of significance to the LDS faith. One of the biggest lessons she imparted on her children was that every trip was a learning experience and an adventure; so many things to learn about every location, the history, the wildlife, the trees and plants. She was truly selfless, tough, and inquisitive. Above everything, Earleen loved being a mother, even beyond her children. She also raised two of her grandchildren, Joe and Brandon and opened her home to several of her children's and grandchildren's friends. In addition to her children and grandchildren she was known to care for all manner of pets and wildlife; dogs, birds, frogs, turtles, fish, and butterflies. She was an avid gardener and

particularly loved ferns.

She is sorely missed by her husband, five children, thirteen grandchildren, four great-grandchildren, two sisters, and many extended family and friends.
