“ Miss Earline and I worked together for many years. She became a dear friend and a very kind and compassionate person. She was a very hard worker. I saw her recently at Walmart and we had a nice conversation. It was so good to see her. May her beautiful soul rest in peace and she will be greatly missed.

Dee,

*I have no words, but in disbelief My heart is broken right now.. But i just want to share with you i have known your mom her and I were good friends for years and lord knows I will miss her.. Although we didn't see each other often but we would run into each other in the store and talk for a hot minute..She is going to be greatly missed and to have known her is to love her because I loved her and we shared so many fun times together and I will cherish my memories as if it were gold. Earl was a strong loving caring woman with the heart of gold. Dee you may not know this but you so much like your mom strong and independent and always have such a beautiful smile no matter what just remember all the good times you shared with your mom Please always know that she is with you in every step you take and we all carry her in our heart. I pray that God comfort you at this time just put your hands in God's hands and he will see you through..All I can say to this is GONE TO SOON!!!  
LOVE YOU EARL*
