“ *Besides being a good friend, I trusted the 2003 Aaronic Priesthood/Scouting Encampment to him. He did a wonderful job as Encampment Director and I often remarked that "Angels could do no more." Rick was also a stalwart at each of the Priesthood Conferences on Scouting that we held. He inspired leaders and youth. I will miss him, but the thoughts of Rick will always be in my heart. Rick, thank you for the memories.*

“ *I would like to share my feelings for Rick. He was such a big help to me when I was a leader in Scouting. He also helped my boys reached their goal in becoming an Eagle Scout. He will truly be missed.*

“ Ed was one of the kindest men I have ever had the pleasure to know. He was always there to lend a hand, help solve a problem, or give a ride to the airport. He was also one of the funniest at times. He was my co-worker, but he was also my friend and I will miss him. I know you will fight to get me into heaven Ed, but just in case my friend, prop the gate open with a rock.....I'll be along someday.

“ I am deeply saddened and upset by the loss your family and all of us have suffered. I will always remember Bro. Hayward, as I knew him, for his kindness and unfailing patience. He was a mentor and friend who will be missed more than I can convey with words.

“ Thanks for the memories. I will never forget when I was at the stake building (and just moved into the ward) and he came right up to me and called me by name. I had no idea who he was, now I will never forget him. Can't wait to hear your stories when we meet again.
