“ *I have known Ed for 25+ years and have worked with him at IBM in Vermont when he was with Balzers Corp. and I with IBM and also have some good memories of a trip with him at the Balzers factory in Liechtenstein. I have most recently worked with him here in Manassas at Dominion SC and Micron. In this business there are many faces that come and go but it was always a pleasure to see Ed because he had that never ending smile and a pleasure to work with.*
