“ To all of Edies family I am so sorry to read this too late to come show my love for Edie. I had no idea this had happened until I went on line and read her obit. She was a very sweet and caring lady and I know she will be missed. I bowled with Edie many years ago and will always remember her as a very special lady. Peace to all of you.

“ Dear Family, My earliest memory of Edith dates back to when I was maybe 6 or 7 years old. (Edith would have been an older teen-ager then.) I rode with my dad (Uncle Kenny) from our mountain cabin to my Aunt Norma's house. I have no idea of the reason for our trip; but, when we got there, there where a whole bunch of people there, probably some family from out of state had come for a visit. My dad--always one with a joke or smart comment--squeezed Edith and said "Hello, Porky!" He told me she was my cousin, and that was her name. I also remember attending Edith and Ernest's wedding, and the lovely, memorable 35th wedding anniversary celebration she and her brothers and sisters-in-law planned for Aunt Norma and Uncle Clarence. Sorry I can't be with you all this evening. You are in my thoughts and prayers!  
Your Cousin,
