“ *Candice and Jaclyn interviewing you all in our back yard, what a wonderful memory; you said, "I feel like a country girl going to the city for the first time". Through such tough times we can look back at the memories and be comforted. Thank you for giving me happy memories I can share.*

We love you

“ *I'd like to extend my sympathy to the Flinn family in Manassas with the passing of Edna. I have fond memories of the two Flinn family reunions I attended a number of years ago.*
