“ I had the pleasure of working with Edna at Sudley elementary school. She was a hard-working, extremely funny lady. I loved being around her. Her sister, Edith worked there too, now there was a pair! Anybody that worked there with us will remember the chocolate dog bone story at Christmas time. We all laughed till we cried! She would talk endlessly about her family and her love was true, and deep for you all. She was a devoted mother. May you rest in peace, my dear friend. I can still hear your Southern twang and remember how you would giggle if you said something funny. Thank you for all you taught me . I'm blessed for having known you.
