“ I did not know your family member..but noticed that he died the same day as my brother-in-law and also noticed he was in hospice. I hope that during your difficult times hospice was good to you. As my father is in hospice now.

Warm Regards, Barbi Rebelo

“ Dear Ginny & Family,
I was sorry to hear of Ed's death. We had all missed seeing him over the past year, and had inquired with Cindy Beattie if Ed had been sick. I would like to stop by your house and offer my sympathy in person. I didn't get the announcement until it was too late to attend the family visitation. You are all in our thoughts and prayers.

Sincerely,

Vicki McDermott
