“ *We had the pleasure of meeting Ed through his lovely wife Linda and daughter Tina. We all worked on the Defense Travel System at TRW / Northrop Grumman at the same time. Despite the long stressful hours, we did have some fun. Part of the fun was hearing the Cole family stories Linda and Tina would tell. When we did meet Ed face to face we all felt like we knew a lot about him. Ed came to some of the office functions, most notably the annual Holiday party. He was one of the easiest and personable significant others at the event. The love shared by the Cole family was so strong and obvious. Our heart felt condolences and we know he will be watching out for Linda, and his family.*
