“ Eddie was one of the best people I got the pleasure of knowing. He took on the dad role in my life and I still think of him daily... even 8 years later. I love you Eddie, forever and I miss you even more. Thank you for everything you've done for me and accepting me as your own, even for a little bit ❤️

“ Eddie wasn't just a brother he was my best friend. He was always someone you wanted around now that he has gone I feel it more than ever. Not a day goes by that I don't miss him. He was always there when anyone needed him gone but never forgotten . WE miss you!!!

“ I miss you so very much... Eddie was more like my brother than an uncle.. A part of me left with him... I can still hear your voice and your laugh.. I always want to remember that. Eddie could always make me smile even at my worst moments. I sure need that right now.. Eddie had a kind heart. Would always lend a helping hand. I pray for peace to cover our family. I love you Eddie and you are missed every single day...

*3 months.... Not sure why I came to this web page... But I did... I miss you more today than yesterday. I've been trying so hard to move past not having you here with us anymore. I still hurt. My heart aches... I love you Eddie! I just want to see your face again. That laugh.. I pray for peace to come and I know one day I will have that. RIP and your memories will always live on through me..*

*Not sure why I'm doing this except that I believe there should be a record. This was one of the greatest men I've ever known and GOD knows that I will never love another like I loved him. I miss you more today than I did yesterday Eddie. And I love you always. Be at peace my love ...*
