“ I never met Ed, but Missy was a IBM Family Member forever !!! I was part of the System Integration, Test Engineering (SITE) Group...IBM required that we have physicals, to make sure we were fit, to ride the submarines...Missy would co-ordinate those physicals where ever we were in the US !! We always had questions and Missy was ALWAYS there to help us !!
Soooooo sorry for your loss Missy !!! Condolences to You and Your Family...
