“ Eddie - We only knew each other for a few years, but I miss you already and wish I could be there to say goodbye. I'll always remember going w/ Steph and Evan to pick you up from the bus station in Roanoke the day you moved to Blacksburg. This was when I met you for the first time. We celebrated together on the floor of Cassell Coliseum when the Hokies beat #1 UNC. I played some of the most fun games of darts in my life w/ you at Champs/Rivermill/Underground. We also had alot of great times tubing in the New River and camping at Wind Rock. I hope you are in a better place and that your family can find some peace in this difficult time.

Garman family (that includes you, Evan and John!) - Tiff and I are thinking of you guys constantly. As tough as it is, I hope you are able to find some comfort while remembering the good times you had with Edward over the years. I can't say enough times how much we wish we could be there. Please take care of yourselves and each other.
