“ Dear Ed, gone but certainly not forgotten. I'll share a memory. I clearly remember the time I lived in Crisfield and was working as a waterman and Ed and Linda came to visit Linda's and my grandmother. Ed was full of questions about the industry, so I took him with me the next day to check on my crabpots. It really fascinated him but I think he enjoyed most just being out there.

“ Linda - Rosie and I were so sorry to hear about Ed's passing. Although we have not been able to see each other as much over the past few years we thought of you guys often. We know that his health struggles must have been hard for you. We just hope with time your sadness will be replaced with smiles as you remember all of the happy times. We have great memories of seeing Ed and you at the Christmas parties. We will be thinking of you and the kids.

“ Ed was one of a kind. His laughter was contagious and there was no end to his generosity. There are many MANY memories going back to when I became a family member. I know my David was on hand to welcome him into God's home.

“ Brian, Michelle, Paige, Sam and Linda,
I wanted to take a minute to share my deepest sympathies with the loss of the guy i know as Eddie. I was just trying to remember the first time I met Eddie it was at Dave & Karen Corvin's home not sure of the date because time flies by so fast. I remember Eddie as a person who loved life and his family. He always seemed to be having fun with his son and friends. I know the last couple of years have been disheartening and tough for all of you as that person faded away struggling with his health issues. I believe Eddie's soul is in a good place now meant for good people like him.
Just to make sure you know, I am Dave Corvin's neighbor Rich Johnson. My thoughts, prayers and best wishes are with all of you in this time of sorrow. I do believe Eddie would want to celebrate his life and given the current environment that will be hard. I look forward to a future event to share a toast to this fun loving man.
