“ I was sad and stunned to learn of Ed's passing. We became good friends while working as reporters at the Loudoun Times-Mirror in 1989-1990. Although we each moved on to other things, we kept in touch.

Eventually we worked together again at CD Publications in Silver Spring, MD, in 1993.

We each loved videogames, and spent a lot of time playing those together over the years.

We loved to make each other laugh, as well as to encourage each other during tough times. That's how I'll remember my friend Ed Tureen.
