“ *Nancy and Libby....the day your dad died, we married mom. I just happened to look at the obits and saw the last name Weber...thought just maybe it might be related...it was. Wow. I got to see most of the Ramirez's and saw Libby at Walmart many months ago. I feel your grief trust me. Mom was the first to go in our family - she was our rock. How do we cope now? Please keep in touch and know that I am thinking of all of you. May God bless each of you. They are definitely in a better place.*
