“Apaw”, you were a constant in my life from the time my beloved sister, Sharron and your youngest son, DJ, (Doyle), started dating as teenagers; as well as that of my children and their cousin's who were in and out of their house growing up!! You had an infectious laugh that will be missed. I'm sure she greeted you when the Gates of Heaven opened, with her hands on her hips and that beautiful smile on her face...before reaching out to give you a big ole hug!! You will be missed Apaw...so until we meet again, keep an eye on and protect all of us down here...Love you, Jan
