A Celebration of Life will be held at Park Valley Church on September 6, 2025 @ 11:00am, doors open @ 10:00 am.

In lieu of flowers, the family wishes that donations be made to Covenant Christian

Academy. It was often noted that flowers fade away, but pouring into the next generation makes a lasting impact.

“ *Eddie was an amazing brother in law! I've known him almost all my life! He taught me how to drive a stick shift, taught me how to detail a car, taught me about finances, taught me to look for the best in people. He and Debbie rarely went on dates alone, my brother Ronnie and I were part of the package. In his younger years Eddie loved finding all the back roads in Manassas only to get stuck in mud and Debbie would get behind the wheel while he and I pushed the car out, he loved to coast down the mountain with gas gauge on empty after visiting with my grandmother in Waynesboro, he loved eating licorice and singing the latest hits, I was always impressed that he knew every word to Ball of Confusion. I had the best time growing up with him being my big brother in law. Then before I knew it I was an adult and my age was catching up with him and Debbie. Ron and I loved our times hanging out planned or spontaneous, cruises and weekend trips and sibling outings. Eddie was so very proud of his family. He loved and cherished Debbie. What I hold the closest is that Eddie accepted Jesus Christ as his Savior which guarantees I will see him for an eternity. Debbie and all our family I'm sorry there is a loss feeling, remember that our joy comes in the morning! Love you all!*

“ To Ed's family and friends -

I was so saddened to hear of Ed's passing. What an all-around great guy along with a wonderful sense of humor!

Ed and I worked together for many years at Marriott, and shared a cubicle wall for several years. Was always fun having him as my work neighbor - lots of great chats, laughing, hearing about the motorcycle rides, and of course discussing work matters. We all loved hearing about all the grandkids and their adventures with "Pops". Was also great when Jamie and the boys came to the office to visit for lunch, especially when we all saw Ed riding on the carousel with all the boys!

I know you will all miss him so very much, and know that you will treasure all those great memories that were made with him. My sincere condolences to all of Ed's family.

*Warmly,
Carolyn Rafter-Koudry*

“ To the Wolfe and Saunders families.

My heart is sad at the passing of my ex brother in law, Eddie. I will remember how good he was to me and my family. The last time I saw Eddie, we talked for over an hour about our lives and remembering the time we had spent together enjoying family times. I know that Heavens Gates opened wide as Eddie entered. He was a good man.

*My sympathy to the family.
