“ Our sincere sympathy goes to Joanne, and Ed's sons and grandchildren, family and friends.

*Have known Eddie most of our lives having been in cars and motorcycles.*

*We knew Eddie first as a musician and later as an avid car mechanic and enthusiast.*

*It was always enjoyable to just sit and talk to him because he was so knowledgeable and always knew the answer to problems with cars.*

*Eddie was generally a good friend to all who met him, and always willing to help. He was one of a kind, and wont be forgotten. He will be missed.*

*Our prayers go out to you all at this most difficult time.
