“ *My dear sweet aunt Dink. You were such an inspiration to me! After my mother passed away (I was 14) you stepped up and became a mother figure to me. You were always there for me and you were there if I needed to talk about girl things or whatever. The last 9 years or more we would talk on the phone several times a week. Sometimes we would cry about something but most of the time you had rolling on the floor laughing! Rex (my husband) and I would call you our little spit fire! I'm missing those talks and laughs! But they will always be in my heart and I cherish those moments. I miss you dearly but I know you are in a better place now. I will always love you my dear sweet Aunt Dink! Love always, Cheryl, Rex and Terry*

“ One of the last things my Mol Mol said to me as she wiped a tear from my eye was " Your tear is my tear " and she then wiped it on her cheek. I have been so blessed to have someone like you as my mol mol, my mentor, my second home, my everything. I will never forget everything you've done for not only me but for everyone. You always put everyone else before you and that is the most selfless thing anyone can do. I will always keep your memories alive with my babies, your grand babies. I hope you are right Mol Mol that this baby #3 is a girl so that I can name her after you <3 I love you my beautiful guardian angel. "I'm keeping you forever and for always!" Love you, Chasity
