We will forever be grateful to know this wonderful man.His heart was as big as the whole outdoors To know him was to love him. Any child, man or woman who played baseball, softball or football (maybe others )was cheered on by Granddad and most likely was chewing the bubble gum he handed out so freely. He truly was one of a kind,the mold was broken after him.I will love him forever as well as Barbara, Shelia, Mark and Ragan
