“ *I worked with Fuzzy for many years at Sheehy Nissan. He was the nicest person you would ever want to meet. His stories from the past will forever be embedded in my mind. My son absolutely loved him! I'm going to miss him.
My regards and sympathies to his family. (Kim? I'm thinking about you.)*

*Fuzzy and I worked together from the time I stepped foot in Manassas. He was the first person I made contact with when I went to meet Mr. Sheehy to manage the Service department. He would help anybody, always had nice words to say and kept me positive at all times. I was very fortunate to have worked with such a genuinely nice person. My condolences to the family and want to thank you for letting us know him.
Gary.*
