“ Although I did not know Eleanor, I do know her granddaughter Candace. Candace has shared many memories of her with me. I know by those memories that she was a very special lady. Her legacy will live on through her children and grandchildren. My thoughts and prayers go out the family during this difficult time. Knowing that she is in a better place, with the Lord our Savior; is a comfort like no other.

“ Philip and Arlene Wilson

To the Family of Eileen Fleming: Our thoughts and prayers go out to you. I met Eileen when I was 16 years old. I was dating Philip Wilson and Eileen and Ed were parent figures for him, Loved listening to them talk about their younger days and how they married. They also were great at advising about life. Continue to hold on to the memories, God Bless YOU.

“ I met Eileen at the Tuesday Night Cancer group at Prince William Hospital about 4 years ago. I Loved her spirit and her devotion to her Husband and her family. I especially remember how she loved her grand children. While I haven't seen her in a while, I will always remember her laugh, her smile, and as I said above, her devotion and love for her family. My Thoughts and prayers go out to her family. I know she is flying with the Angels in heaven. Marie Young-West

“ It has been an honor to be called a friend of Eileen's. She was such a loving and caring person. Always made the work day at PWCS go a little faster with her smile and comments. After retirement I always looked forward to our visits and lunches. Her family was her greatest joy. She was so proud of them and their accomplishments. She always looked forward to going to her son's beach house. This is a great picture of her at the beach!! I will miss you my friend and hold all the memories in my heart!!!
