“ I am so sorry to hear of Wayne's passing. I really enjoyed the times I got to spend in conversation, music and plain ole clowning around with him. Nova, Lee & Melissa... please accept my most sincere condolences. I know this is a very sad time for all of you, but just remember that Wayne would have come up with some sort of funny line to describe the situation. He wants everyone to remember him that way. Always bringing the lighter side of life to the foreground. Now when my time comes... there will be another great bluegrass musician for me to pick & grin with. God bless him and all of you.
