“ *I knew Ms. Betty from working at Caton Merchant House. She was by far my favorite person there. She was like another grandmother to me. I was 3 months pregnant when I started working there and she would always ask me how everything was going. When I told her I was having a baby boy she gave me a patchwork quilt for the baby. He is now 9 months old and loves that blanket!! I brought him to see her many times. And even though she didn't remember a lot of things, she NEVER forgot him. She was an amazing, kind, loving, and spunky lady!! I am deeply saddened that I was not there when she passed. I will NEVER EVER forget you Ms. Betty. And neither will Chayden. Love you so much!!! We will see you again one day!*

Praying for the family.
