“ *We are so sorry to hear about Betty's passing. . We have known the del Canos for over 40 years through our IBM joint connection and more importantly with the wonderful memories we have of our numerous visits to Betty's Better Chocolates. Every holiday and special occasion called for a visit to their store, it was so much a part of our community. Betty always greeted us with that big smile and we always took time to socialize. She prided herself in the quality and novelty of all her fantastic creations, even her special "x" rated drawer in her back room where she memorialized Mr. Bobbitt. Our deepest sympathy to the family.*
