“ *Denette was a true friend. She helped me smile on my good days and on my bad days. I wanna be able to help the grieving family in some way. I have limited access these days, but in the meantime, please accept my deep, deep, deep heartfelt sympathy. Not sure if my tears will ever dry up, Whew! She was outstanding as an individual, saint, and what a wonderful, fun person she was. I will miss her and will pray for all of you daily for God to comfort as only He can. Love you all.*

“ *Where do I start to tell what a special person Denette was. First of all she was my friend, my "sister". I have so many memories of spending my summers with her going to Alabama Campmeetings, our many trips to Pigeon Forge and the many times we spent in Rocky Gap just having fun. She was the first one to take me to Pigeon Forge and to this day I still say " that's where me, Denette and the boys stayed". I'm at a loss for words of how special she was to me. I was there when she started dating Chad and I remember how she would sit at the kitchen table and talk to him on the phone and how excited she got every time he would call. She made me feel even more special when she asked me to sing at their wedding. I love her greatly and will miss reminiscing about our fun together every time I saw her. I will miss her smile that made your day brighter, her funny humor and her love of life. She has gained what we all are striving for...Heaven! My love and prayers go to all the family, especially Joey and Jeremey, I love you guys.*
