“ Hi Cynthia,
I'm sorry to hear this news. I remember your fun and exciting stories about your parents traveling! I remember being impressed that both your parents were alumni and from your stories they were incredible in all their pursuits and seemed perfectly matched! Their story being college sweethearts, enjoying a long loving marriage that included children and grandchildren is a gift that is very special. Thinking of you all. I'm so sorry for your loss and sending prayers and good wishes to you and your entire family. Fondly, Robin Drake NU Class '87.

“ Carl, I fondly remember your 50-year yearbook profile when you referred to her as the woman you would marry who wore the green slacks. Tim called me to tell me about her passing, which In the end may have been a blessing to you and the family. As we all know, mental illness is never pleasant but for most of those years you both had a fun-filled life with many happy times, lots of travel along with devoted extended families. She is in God's good graces and Peggy and I wish you our sincere and deepest condolences. She will be thought of by her VC and NU '62 alums in the spirit of Norwich Forever. God Bless Her. - Dan and Peggy Sweeney.
