Elizabeth Ann Kerr Ledgerton of Manassas, VA went home to be with her Lord and Savior on Saturday December 19, 2020 surrounded by loved ones in her home. She was born September 10, 1949 to Waneta Maxine Kerr DeLuca and Albert Rex Kerr in Waynesburg, PA.

“ Dear Family,
My wife, Barbara and I were greatly saddened to learn of Beth's passing. It was my privilege to serve on the panel which originally appointed Beth as the Treasurer of Fauquier County, a decision affirmed by the voters repeatedly over her long service. During her time in office, she initiated many improvements to the benefit of our citizens. I also knew her as a leader of the Rotary Club of Warrenton. She was a person of high principles and faith clearly showing to all who knew her.
You are all in our thoughts and prayers during this difficult time.
Sincerely yours,
Shore Robertson

“ I'll never be able to go past a Cracker Barrel without thinking about Grammy! Every time we would go anywhere I knew I had to set aside some time for us to stop in and grab a bite to eat. But it was more than that. We would sit for over an hour each time, just talking about life. She would always tell me when she thought I was doing something good and she sure wasn't shy about telling me when she thought I needed to change something (usually about my kids or Aaron lol). It was never about the food though. Watching her laugh and listening to her stories is what meant the most. I rest assured that one day we will all be together again, and until that day comes I know she will be looking down on us smiling from above. Rest in leave Grammy, we love you.

I met Beth when she became Treasurer. She was a remarkable lady and a good friend I will always remember. Unfortunately, we lost touch after she moved. I am thankful to have known her and have memories of many good talks and times together. Thoughts and prayers to all of her family.

I met Beth in 1991 when she was Treasurer for Fauquier County. She welcomed me as a newcomer to the area and quickly made me feel at home. Beth was a dear lady, a pillar of the community, and a great friend. We will miss her terribly. With heartfelt condolences.
