“ My sincerest sympathies go out to EJ's family. It has been many many years and we were at one time in laws... I have always thought that of all the sisters EJ was the coolest and had the most heart. I Am glad to have known her as brief of a time that it was. I often thought about those days and will no doubt think often of them in the future.

“ What a wonder you were! You ran into me at one of my jobs and we connected like we were back in high school. We perfected the "carts crashing in to each other" at the grocery store (even running down aisles we weren't shopping). I will miss your face around this small town we live in, not seeing you "every so often" will be hard. Set them straight up there! Love you, girl!

“ I'm so blessed that God brought you and your family in my life. You took me in under your wing and made me apart of your family and I cannot thank you enough! You are like my other mother and I'll never forget the wonderful memories we've created. Florida was the best vacation I have ever had and you invited me to come along. "Let's make a barrier!".. I'll never forget you mama E.J.!! I love you so much!!

-Love always, Sabrina or as our insiders have it, "tramp".

“ My dear Sweet E J how do you say good bye to someone who you aspired to be and who celebrated life in a way many need to do by your example... you were the most caring loving and honest person I ever had the honor to meet. Your zest for life and love and the way you surrounded those you love is beyond words. Each day I look out my window and imagine your face in the back yard with a beaming smile watching your children play in the pool. I will forever remember and miss your spirit and love. Fly with the angels my friend and know your forever in my heart. Love N Hugs Pat McDougle

“ E.J. you left us way too soon but what wonderful memories I will hold dear to my heart always. Not only were you my sister but a wonderful friend. I will always remember our teen years dancing in the tiny livingroom of GTS, stephen wolfs "magic carpet ride" and brick house what great times. Your smile, jokes and laughter I will never forgot. Until we meet again, love you xo

“ E.J. you had a way of lighting up a room. We met in grade school and we completed school together. It was so good to see you after 25 years at the HS reunion. There we met your wonderful Husband Jamie and we had a ball like ole times. You will be sorely missed. We love you! Rest in Peace my friend until we meet again.
