“ Please know that you are all in our thoughts and prayers. This is a time to remember the good times and memories and to know that you are cared for and loved by friends.

*It is said that time heals all wounds, but I think that time only softens the loss. If we can do anything, please let us know.*

“ Ellen was such a kind and loving person and I have to say the best mother to her children and grandchildren that I observed. She was always there for her daughter, my friend, and her grandchildren. She was so generous and fun and my heart breaks for Brenda and the rest of her family for their loss and I pray they will always cherish the joy of having her in their lives and that it brings them comfort knowing she is free from pain and suffering and now in the loving care of our Heavenly Father.

Love,  
Cathy
