“ *Elise will be missed by all who knew her. She could light up a room as soon as she spoke. She was my teacher at Jennie Deane School in Manassas. When she first came to The Fairmont Retirement Community, I heard her voice from across the room. I greeted her and she said my name and then "you never would sit down or shut up in my class" . She was amazed at what I do today. As a volunteer since 1999 there 2 days a week, Elsie was in my knitting and crochet class and we enjoyed so many good times together. I will miss her greatly.*

“ *I have fond memories of Mrs. Mintz when she was my 6th grade teacher at Jennie Dean Middle School (1969-70). May her daughters and grandchildren find comfort and peace in their memories of this wonderful lady.*
